

My Baby Cousin Emilio

I was at my silent house in the afternoon, having so much fun with my best friend Alessandra. We were playing with my “Wii” in the living.

My aunt called, she sounded frightened and desperate. She said “I’m going to the hospital to have the baby!”

Right away, I went to see my new baby cousin in the hospital. I was eager to see him, and couldn’t wait to hold him in my arms.

I came into the room and saw my aunt exhausted. They both looked so happy together. Emilio looked so tiny and warm.

I was pensive “How big will he grow to be?” as he opened his eyes sluggishly. I never thought I was going to have a baby cousin, because he was a surprise for my aunt. I’m so blessed that he was born, he is a beautiful addition to our family.
